## Top Skills

Data structures and algorithms ( C++ )

Artificial Intelligence (AI)

Python (Programming Language)

## Certifications

Accredited Technical Professional - HP Data Protector v9 (ATP-HPDP)

Hackathon - Ideation Round

Prompt Engineering for Everyone

Microsoft Certified Systems Certifications

Designing and Implementing Big Data Analytics Solutions

# Avantika Padhi

B.Tech (3rd Year) – Computer Science & Technology @ GGSIPU | DSA & Problem Solving | Aspiring AI/ML Engineer | UG '27

Greater Delhi Area

## Summary

B.Tech (CSE) Student @ GGSIPU | DSA Focused | Aspiring AI/ML Engineer I'm a second-year B.Tech student at Guru Gobind Singh Indraprastha University, currently focused on building strong problem-solving skills and developing a solid foundation in Artificial Intelligence & Machine Learning. Core Skills:• Programming: C++, Python• Web Fundamentals: HTML, CSS, JavaScript, Tailwind CSS Current Focus:• Mastering Data Structures & Algorithms (DSA) for interview-level problem solving• Learning AI/ML concepts through a structured, hands-on approach• Strengthening core CS fundamentals and logical thinking Experience & Community:• Contributor at GSSoC & Campus Ambassador• Active participant in coding contests & hackathons I'm consistently learning, building, and improving every day. Open to internship opportunities in Software Development & AI/ML where I can contribute and grow. # Let's connect and collaborate on impactful tech ideas!

---

## Experience

### Bityug

#### Technical Head

September 2025 - December 2025 (4 months)

During my time in the technical society, I had the opportunity to contribute to and participate in several impactful events such as Coding Blocks, and Fifteen for Teen by Tushika Rawat

These experiences helped me enhance my problem-solving skills, teamwork, and technical creativity while working on real-world challenges.

Grateful for the exposure, collaboration, and learning environment that helped me grow both technically and personally. #

### GirlScript Summer of Code

7 months

Campus Ambassador

September 2024 - March 2025 (7 months)

Contributor

September 2024 - February 2025 (6 months)

Delhi, India
